

**Dr. Lucian BAHBIN, Senior Researcher**

**Positions:** **2016-present:** Scientific researcher ICMPP Iasi;

**Education:** **2016** PhD Organic Chemistry, “Al. I. Cuza” University of Iasi

**Project leader:** SEFTAA – The synthesis and evaluation of some tribenzotriquinacene-flavonoids tripodal antibacterial agents, 2018-2020

**Expertise fields:** Organic synthesis, with focus on 1,3-dithiolium flavonoids and [2.2]paracyclophane chemistry, MOF synthesis

**Scientific achievements:** 30 publications in international journals; h-index: 9.
