

## Curriculum Vitae

### Dr. Lilia Clima

Born on the 6<sup>th</sup> of August, 1977, R. Moldova

E-mail: [clima.lilia@icmpp.ro](mailto:clima.lilia@icmpp.ro);

Address: Aleea Grigore Ghica Voda 41 A, 700487 Iasi, Romania

### Education

09/2003 – 10/2007: PhD in the group of Prof. Willi Bannwarth, Institute of Organic Chemistry and Biochemistry, Albert-Ludwigs University Freiburg, Germany

**PhD title:** “*Application of a new Fluorescence Resonance Energy Transfer (FRET) system in synthetic DNA*”

1999 – 2000: Master in Organic Chemistry, Moldova State University, Chisinau, Rep. Moldova.

**Master thesis title:** “*The synthesis and transformation of arylisothiocyanates*”

1994 – 1999: Bachelor in Chemistry, Faculty of Chemistry, Moldova State University, Chisinau, Rep. Moldova.

### Professional Experience

10/2012 – present: Scientific researcher (CS-CS III) at "P. Poni" Institute of Macromolecular Chemistry (PPIMC), Iasi, Romania.

09/2008 – 10/2010: Postdoctoral position in the group of Prof. Kurt V. Gothelf, Center for DNA Nanotechnology (CDNA) within the *iNANO* Center at Aarhus University, Denmark.

11/2007 – 07/2008: Postdoctoral position in the group of Prof. Roland Krämer, Inorganic Chemistry Institute, Ruprecht-Karls University of Heidelberg, Germany.

**H-index** 9

**Publications** 22 (ISI)

**ORCID profile:** <https://orcid.org/0000-0003-0103-2277>
